### **DETAILED ACTION**

#### **Status of Claims**

1. This action is in response to the decision by the BPAI decision filed on 25 February 2005.
2. Claims 5-11, 16-23, 28-35 and 37 have been cancelled by Examiner's amendment below.
3. Claims 1-4, 12-15, 24-27, and 36 are pending and have been examined.

#### **Allowable Subject Matter**

4. Claims 1-4, 12-15, 24-27, and 36 are allowed. See Reasons for Allowance under separate heading.

### **EXAMINER'S AMENDMENT**

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
6. Authorization for this examiner's amendment was given in a telephone interview with Scott A. Horstemeyer on 12 May 2005.
7. The application has been amended as follows:
  - Cancel claims 5-11, 16-23, 28-35, and 37.

### **Reasons For Allowance**

8. The following is an Examiner's statement of reasons for allowance:

None of the art of record, taken individually or combination, disclose at least the system components, method steps as written in independent claims 1, 12, and 24. More specifically, the prior art of record fails to disclose a package delivery system. As set forth by the Board of Patent Appeals and Interferences, the closest prior art, Schmier, which discloses a public vehicle transit system that notifies the passengers of pending arrivals and pick ups, does not disclose the claimed invention, either alone nor in combination, with the other references. The BPAI goes on to affirm that it would not be obvious to one of ordinary skill at the time of the invention to modify Schmier to deliver packages instead of people, and doing so would require an extraordinary degree of hindsight reasoning not available to one of commonplace knowledge in the package delivery arts.

### **CONCLUSION**

9. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
- KONINK (NL 9000609 A) discloses a vehicle that may be used to carry postal packages or passengers.
